Winter 2010

Welcome back for another great semester. Congratulations to all of the new members from the fall semester. There are a lot of leadership opportunities for those who are interested in expanding their knowledge of leadership roles and Greek Life. Limited scholarships are also available to assist with registration fees and/or transportation costs.

This semester, UB Greeks will again showcase their organization during Greek Week so that others on campus can have a glimpse of what being Greek is about. Winterfest, outdoor competitions January 19th and 20th, is another chance to do that!

HAPPY NEW YEAR!

For those Greeks who have yet to meet me, I am Sara Calarco, the 2009-2010 Graduate Assistant for Greek Affairs. I graduated from SUNY Fredonia in 2005, worked as a marketing coordinator for 4 years and now I am getting my masters in Higher Education Administration.

I currently advise Order of Omega and would like to encourage you to get involved in this honor society.

Continuing to work with all of you to improve the perceptions of Greeks by the campus and community is extremely important to me. I am confident that you have the potential to do amazing things this spring and in the future years.

Please feel free to stop by and see me any time in 150 Student Union. Have a great semester!
