

*University at Buffalo*  
**AlcoholEdu® for College: *A UB Requirement***

## What is AlcoholEdu?

*AlcoholEdu for College* is an on-line, three-hour course designed to make college students aware of alcohol-related issues.

Whether or not you drink, AlcoholEdu will help you make healthier decisions and balance your social and academic life. Your participation helps UB understand our students' alcohol-related attitudes and continuously improve our alcohol awareness programs.

AlcoholEdu is:

- Required for all new (freshman and transfer) UB students
- Completely confidential
- Taken in 2 parts
- Interactive exercises and social-networking

## Why do I need to take AlcoholEdu?

Out of more than 70,000 students who completed this course:

- 72% said, "I know more about blood alcohol concentration (BAC)"
- 44% of men said, "I know more about how alcohol affects consent for sex."
- 70% said "I would recommend it to other students."

Students who took the course had 50% fewer negative personal, health, or academic experiences in college - than those who did not take it.

### IMPORTANT DEADLINES

**August 20, 2008** Part 1 of AlcoholEdu due

**October 1, 2008** Part 2 of AlcoholEdu due

## What if I don't take AlcoholEdu?

Students who choose not to complete AlcoholEdu by the deadlines will be reported to the Office of Judicial Affairs and Student Advocacy, the office responsible for student conduct violations.
